**K-JEWEL Art Gallery looking for artists** I wanted you to know that I am always looking for large-format, quality artists (wall art and sculpture) to show at the K-Jewel Art Gallery. Generally, I try to be out about 12 months in booking my shows and at this time I am booking for May through December 2012; however I still have December of this year and February of 2012 open. My walls are 18' X 25' so anything less than 36" X 48", (as the main paintings) will be swallowed up by the walls. Slightly smaller paintings can fill in and can be stacked. You can see the different configurations in the photos in the 30 show albums. We charge the artist only 10% (pays for my museum putty), of direct sales from the month long show. We can talk about what we provide later, if you would like. For us it is essentially a service we provide to the Valley artists, the community and the Mural District to stimulate the area. You can access the photos from the last 30 or so shows that we've done, at the website below. I've tried to stay with Valley artists only, but after approximately 45 artists, I'm starting to book some artists from outside the area that I know. If you know quality art (large-format, that needs a show, just let me know. Please feel free to email [kallmann@hotmail.com](mailto:kallmann@hotmail.com) Dr. Karl Kallmann Curator - K-Jewel Art Gallery
